📖 Universal Human Values – 40 MCQs with Answers , Reasoning & Modules

1. Ram wants to be happy and make all his friends to be prosperous and happy always.

The basic aspiration of Ram towards his friends is:

- a) Happiness
- b) Prosperity
- c) Both Happiness and Prosperity
- d) Neither Happiness nor Prosperity

✅ Answer: c) Both Happiness and Prosperity

Reason: Self aspires for happiness, body aspires for prosperity. (Module 4: Aspiration and Concerns)

2. Sita's aspirations changes with time towards her friends. The basic aspiration for her should be really:

- a) Common to all
- b) Indefinite
- c) Changing from time to time
- d) Different for different human beings

✅ Answer: a) Common to all

Reason: Basic aspiration (happiness/prosperity) is universal. (Module 4: Aspiration and Concerns)

3. Which of the following is NOT an outcome of life without clarity of basic aspiration?

- a) The direction of your effort may keep changing
- b) You may not know if you have arrived or not
- c) Very likely there will be a mix of satisfaction and dissatisfaction
- d) There will be happiness in continuity

☒ Answer: d) There will be happiness in continuity

Reason: Happiness in continuity is only possible with clarity. (Module 4: Aspiration and Concerns)

- a) Putting physical facility as the first priority
- b) Putting physical facility as the second priority
- c) Putting wealth as the third priority
- d) Putting relationship as the first priority

☒ Answer: b) Putting physical facility as the second priority

Reason: Self is primary, body's needs are secondary. (Module 3: Right Understanding)

5. Timely physical facility is for human beings.

- a) Inadequate
- b) Necessary as well as adequate
- c) Necessary but not adequate
- d) Unnecessary

☒ Answer: c) Necessary but not adequate

Reason: Facilities are needed but alone cannot ensure happiness. (Module 3: Right Understanding)

6. Sita has explored aspirations with right understanding. Self exploration establishes the relation between:

- a) What I am and How I look at others
- b) What others are and What I am
- c) What I am and What I really want to be
- d) What I really want to be and what others think of me

☒ Answer: c) What I am and What I really want to be

Reason: Self-exploration bridges present self with aspired self. (Module 4: Aspiration and Concerns)

7. Body and self are two different aspects. Which is NOT true?

- a) The need of the body is material.
- b) The need of the body is temporary.
- c) The need of the body is qualitative.
- d) The need of the body is limited.

☒ Answer: c) The need of the body is qualitative

Reason: Body needs are quantitative, material, limited, temporary. (Module 3: Right Understanding)

8. Self coordinates the body. Which is true?

- a) The needs of the self are beyond fulfillment.
- b) The needs of the self can be only fulfilled by right understanding and right feeling.
- c) The needs of the body can never be fulfilled completely.
- d) The needs of the body and self are interchangeable.

✓ Answer: b) The needs of the self can be only fulfilled by right understanding and right feeling

Reason: Self's needs are non-material. (Module 3: Right Understanding)

9. Need of the self for Mohan is trust and harmony. Which is TRUE?

- a) The need of the self cannot be distinguished from body
- b) Self and body are one and same
- c) The need of the self is happiness, body needs physical facilities
- d) The need of the self is physical facilities, body needs happiness

✓ Answer: c) The need of the self is happiness, body needs physical facilities

Reason: Clear distinction between self and body needs. (Module 3: Right Understanding)
